**Supplement to Request for Payment of Administrative Expense Claim**  
**Filed by SAS Institute Inc.**

1. Proof of Claim: SAS Institute Inc. (“Claimant”) submits this supplement to its Request for Payment of Administrative Expense Claim (the “Administrative Claim”) filed against Debtor Rite Aid Hdqtrs. Corp. (“Debtor”) in Case No. 23-18999. On October 15, 2023 (the “Petition Date”), the Debtor and certain of its affiliates (collectively, the “Debtors”) filed petitions for relief under chapter 11 of the Bankruptcy Code.

Post-petition, on or about January 16, 2024, Claimant and the Debtor entered into that certain Order Form Number 2023-014467 (the “Order Form”) in respect of Master License Agreement Number 36530, pursuant to which Claimant provides certain software licensing services to the Debtor. A true and accurate copy of the Order Form is attached hereto as Exhibit A. The initial license period of the Order Form extended through September 14, 2024. On August 5, 2024, Claimant issued Invoice No. 70108456, in the amount of \$97,115.08 (the “Invoice”), to the Debtor for software license fees for the new license period beginning September 15, 2024 and extending through September 14, 2025. A true and accurate copy of the Invoice is attached hereto as Exhibit B. As of the date hereof, the Invoice has not been paid, yet the Debtor has continued to utilize the services. The Invoice represents amounts owed under a post-petition contract for services rendered post-petition, and Claimant’s Administrative Claim for such amounts is entitled to priority as an administrative expense claim.

Pursuant to the Debtors’ plan of reorganization, which was confirmed on August 16, 2024, all of the Debtors’ executory contracts and unexpired leases not specifically designated on a Schedule of Assumed Contracts were deemed rejected as of August 30, 2024. Although the new license period is entirely post-confirmation, this Administrative Claim is being filed out of an abundance of caution. In the event that the Order Form was rejected, all amounts owed under the

Invoice are entitled to administrative expense priority. Out of an abundance of caution, Claimant is also filing a rejection damages claim, which is not intended to be duplicative of this Administrative Claim.

2. Right to Amend: Claimant reserves the right to (a) amend and/or supplement this Administrative Claim at any time and in any manner; (b) to file additional proofs of claim for any additional claim(s) that may be based on the same or additional documents or grounds of liability; and (c) assert this Administrative Claim against a different debtor entity that may be responsible for the indebtedness. This Administrative Claim is not, and shall not be deemed to be, a waiver of any claim by Claimant.

3. Jurisdiction: The filing of this Administrative Claim is not and shall not be deemed or construed as (a) a waiver or release by Claimant of any rights against any person, entity or property; (b) a consent by Claimant to the jurisdiction of any court with respect to proceedings, if any, commenced in any case otherwise involving Claimant; (c) a waiver or release of Claimant's right to trial by jury, or Claimant's consent to trial by jury in this Court or any other court in any proceeding as to any and all matters so triable herein, whether or not the same be designated legal or private rights or in any case, controversy or proceeding related thereto, notwithstanding the designation or not of such matters as core proceedings pursuant to 28 U.S.C. § 157 or otherwise; (d) a waiver or release of Claimant's right to have, or to assert that, any and all final orders in any and all matters or proceedings be entered only after *de novo* review by a judge of the United States District Court; (e) a waiver of the right to move to withdraw the reference with respect to the subject matter of this Administrative Claim, any objection thereto or other proceeding which may be commenced in this case or otherwise involving Claimant; (f) an election of remedies or choice of law; (g) a waiver or release of or any other limitation on Claimant's right to assert that any

portion of the claims asserted herein are entitled to treatment as priority claims or as administrative claims under §§ 503(b) and 507(a) of the Bankruptcy Code; or (h) a waiver of any rights, claims, actions or defenses, setoffs, recoupments or other matters to which Claimant is entitled under any agreements, at law, in equity or otherwise.

### **Pricing Metrics and Additional Usage Parameters**

- **Enterprise Use** - For this Order Form, the Territory is global. Users may use the Offering for the benefit of Customer and its Related Entities, subject to the applicable Pricing Metric. Unless the Pricing Metric is based on the processing capacity of the Authorized Environment, the Pricing Metric quantity is determined by combining the quantity associated with Customer and its Related Entities benefitting from the use of the Offering. If Customer expands the use of the Offering to benefit additional Related Entities, Customer will notify SAS of any increase to the Pricing Metric quantity and pay any applicable additional Fees. If the Pricing Metric is based on the processing capacity of the Authorized Environment, the Pricing Metric quantity is calculated separately for each Authorized Environment used for production purposes based on the processing capacity of the Authorized Environment.
- **PC Use** - The Fee is based on the greater of either (i) the total number of Users (not concurrent) authorized to access the Software or (ii) the total number of personal computers on which the Software will be installed and available for processing on the designated operating system.
- **Capacity Based** – The Fee is based on the total processing power of the Authorized Environment on which the Software is installed. With respect to server hardware, processing power includes each processor core contained within the Authorized Environment. With respect to mainframe hardware, processing power is based on Millions of Instructions Per Second (“MIPS”).

### **Additional Terms applicable during the Committed Period:**

The following is added to Section 15 (Insurance) of the Universal Terms: The Commercial General Liability and Automobile Liability policies will include Customer, its affiliates and subsidiaries, as an additional insured.

The first sentence of the *Applicability* subsection 10.3 under the Universal Terms is superseded and replaced with the following:

Applicability. This section does not apply to: (a) the *Indemnification by SAS* section, (b) the *Indemnification by Customer* section, (c) claims arising out of SAS' intentional or willful misconduct, or (d) either party's violation of the other's intellectual property rights.

The first sentence of the *Indemnification by SAS* section of the Universal Terms is superseded and replaced with the following:

Provided Customer complies with the Agreement, SAS will defend and indemnify Customer for any third-party claim against Customer for: (a) any copyright, patent, trade secret or other intellectual property rights violation relating to the Software, Work Product, or any Software or Work Product included in a SAS Cloud Offering; (b) bodily injury, death or damage to tangible property, arising solely from actions for which SAS is legally responsible; or (c) damages arising out of SAS' intentional or willful misconduct.
